

INDEPENDENT AUDIT REPORT

To the Swan Hill RSL Sub Branch Incorporated

Report on the Community Benefit Statement

We have audited the attached Community Benefit Statement of the Swan Hill RSL Sub Branch Incorporated for the year ended 30 June 2011. We have conducted an independent audit of the Community Benefit Statement in order to express an opinion on it to the Victorian Commission for Gambling Regulation.

Committee's Responsibility for the Community Benefit Statement

The Swan Hill RSL Sub Branch Incorporated management is responsible for the preparation of the Community Benefit Statement as required by the Gambling Regulation Act 2003. This responsibility includes designing, implementing, and maintaining internal control relevant to the preparation and fair presentation of the Community Benefit Statement that is free from material misstatement, whether due to fraud or error; selecting and applying appropriate accounting policies, and making accounting estimates that are reasonable in the circumstances.

Auditors' Responsibility

Our responsibility is to express an opinion on the Community Benefit Statement based on our audit. We conducted our audit in accordance with Australian Auditing Standards. These Auditing Standards require that we comply with relevant ethical requirements relating to audit engagements and plan and perform the audit to obtain reasonable assurance whether the financial report is free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the Community Benefit Statement. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the Community Benefit Statement, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the Community Benefit Statement in order to design, audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by the committee, as well as evaluating the overall presentation of the Community Benefit Statement.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.
