We are independent of the Centre in accordance with the independence requirements of the *Corporations Act 2001*. We have fulfilled our ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Basis of Accounting

Responsibilities of Management and Those Charged with Governance for the Statement

Management is responsible for the preparation and fair presentation of the Statement to fulfil the financial reporting requirements under the *Gambling Regulation Act 2003*, and for such internal control as Management determine is necessary to enable the preparation of the Statement that is free from material misstatement, whether due to fraud or error.

Auditor's Responsibilities for the Audit of the Statement

Our procedures included examination, on a test basis, of evidence supporting the amounts in the Statement. These procedures have been undertaken to form an opinion as to whether, in all material respects, the Statement is presented fairly so as to present a view which is consistent with our understanding of the Statement.

As part of an audit in accordance with Australian Auditing Standards, we exercise professional judgement and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the Statement, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Evaluate the overall presentation, structure and content of the Statement to determine whether the Statement represents the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings.
