

INDEPENDENT AUDITOR'S STATEMENT
To The Management Oakleigh-Carnegie RSL Sub Branch Inc.

Scope

I have audited the attached Community Benefit Statement of the Oakleigh-Carnegie RSL Sub Branch Inc., the source documents and other records used to complete this statement for the year ended 30th June 2006.

My audit has been conducted in accordance with Australian Auditing Standards. The venue operator has adopted a practical method of pro rata apportionment of the expenditure against revenue based upon estimates of the proportion of gaming income to total income and of the estimate of non-gaming area of the premises as a proportion of total area.

Opinion

In my opinion the Community Benefit Statement presents fairly:

- the application of gaming revenue to community purposes of a kind determined by the Minister for Gaming;
- the value of non-financial contributions from gaming revenue to community purposes of a kind determined by the Minister for Gaming;
- any amounts payable under S136A(2) of the Gaming Machine Control Act 1991;
- the relationship of the above items to the required community benefit contribution for that year.
