Scope

We have audited the attached Community Benefits Statement of the Williamstown Football Club.

We have conducted an independent audit in order to express an opinion on whether the Statement:

- a) Is in a form approved by the Minister; and
- b) For the year ended 30th June 2012, whether the percentage of gaming revenue applied to community purposes, and the value of any non-financial contribution applied to community purposes, expressed as a percentage of total gaming revenue is less than, equal to or greater than the required community benefit contribution of 8.33%.

Our audit has been conducted in accordance with Australian Auditing Standards. Our procedures included examination, on a test basis, of evidence supporting the amounts and other disclosures in the Statement.
